➤ It is with high hope that you decide to become an active member. MEN'S TALK MINISTRY

PURPOSE: To provide an open forum for men of the Church to come together, bond, and have real life discussions on current events, and every day life experiences.

SCHEDULE: Two hours on 3rd Thursdays (Monthly)

STRUCTURE: Sessions will have two narrators. Selected guest will be vetted prior to participating regarding experience and expertise.

MEETING FORMAT: The narrators will interview special guests during each session. The guest will be interviewed as to their personal experience in the area being discussed. Audience participation/questions will be allowed at selected points.

SESSION FOCUS: The focus of the sessions are not to give resolutions to subject discussed or to act as counselor, but rather only to provide and discuss information of real-life experiences from those who have personally experienced in topic discussed. We give no advice or guidance.

NEW CREATION CHURCH MINISTRY PLAN OF ACTION (CILM)

CREATE AN ACTION MISSION STATEMENT:

Create a Mission statement that is short and easy to remember. One that gives a clear vision of the ministry intentions. The Mission statement must be in concert with the church's Mission Statement. It will also establish vision and goals.

Example: to connect, challenge, and transform, the men of the Church to become more Christ-like in their service to the Church, home, work, and in the community.

LEADERSHIP GOALS:

Identify, appoint, and task a temporary Ministry Leaders.

Example: Appoint temporary proven leaders that are currently not holding another leadership position. This would provide for total focus on their positions. Leaders would be tasked to generate a plan for success and obtain the Pastor's vision and blessing. This would place proper structure for the Ministry's direction in helping the Church meet its mission. The temporary Leaders and any ministry team established would complete the above task and remain in place through a successful period of the new direction.

IDENTIFY MINISTRY'S DIRECTION:

Promote a direction which will challenge the adult men of the church to want to be a part of the ministry. Create a "ministry without walls". Invite men outside the church to become engaged in the ministry.

Example: create a ministry that will move from programs or events to a ministry that would seek fellowship, relationship building, and spiritual transforming as the vision and plan.

MEASUREMENT:

You can't define success unless you can measure your goals.

Example: You don't know you've scored a touchdown until you cross the goal line. But first you must define where the goal line is.

The new direction can start where we are, use what we have, and do what we can.

A quality program will generate a quantity of participants.

❖ **Focus scripture for the year – Galatians Ch 6:7-10**

"Do not be deceived, God is not mocked; for whatever a man sows, that he will also reap. For he who sows to his flesh will of the flesh reap corruption, but he who sows to the spirit will of the Spirit reap everlasting life. And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart.

Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith".
